

Granite State Youth Soccer Foundation (GSYSF) Club Player Registration Scholarship Form

Granite State Youth Soccer Foundation (GSYSF) is committed to identifying and providing financial support to youth players in need. These scholarships can be obtained by any NH Club or League. Any NH Club or League can apply to GSSF on behalf of a player in need. These scholarships are available per player / per season (limited to fall and spring league participation) depending on the stated need and circumstance. The focus for these scholarships should not only be for existing players within your club but should also be used to reach out to families within your community who may not consider youth soccer as an option for their child due to the cost of participating.
